

DECEMBER 2020

Dear Holiday-goers

After an exhausting and uncertain year, the long-awaited holiday has finally arrived. The pandemic had a huge impact on the resort and many projects that were planned, could not be executed. Unfortunately, our labour model also had to be adapted and you won't see some of the familiar faces on the resort. We hope that you will rest well and collect plenty pleasant memories during your visit with us.

Our guests' health and safety is very important and security is improved continuously in order to create a peaceful and safe holiday environment. Please adhere to the COVID rules. Guests are requested to continuously keep the safety of their possessions in mind. Keep the windows and doors closed to keep baboons and monkeys out and try to keep food and fruits out of sight of the windows. Preferably place refuse bags in the outside dustbins in the mornings. Water and electricity must please be used sparingly.

Unfortunately, we also had to adjust the offering at the Koswerf Restaurant. The focus for holiday-goers is breakfast at Koswerf and take-away meals at the KitsKoswerf Kiosk. There will be limited à la carte offers at Koswerf, as indicated and advertised in the programme.

Please take note of the smoking areas at the pools and public areas, which will be indicated for use by guests as stipulated by law.

The holiday programme is loaded to the brim, but we also want to leave enough time for family togetherness and relaxation. Please speak to

entertainment team if you have any bright ideas for even more fun. The curious who want to explore the surrounding areas can enquire at the information centre or reception, where our friendly staff will gladly help you. Feel free to also find out more about our excellent conferencing facilities that can accommodate up to 550 people.

For our guests' convenience, a contact number for the manager on duty will be displayed in strategic places. Feel free to call him/her at 078 580 7092, or security on 014 736 9819.

May this holiday be filled with peace and blessings for each family and family member. And may everyone start the new year with courage, hope and faith.

Enjoy the holiday!

Wim de Wet
